Lunardi To Offer Legislation For Emerald Bay Span

Low Level Span Favored As Time Approaches For Project

The question of building a low-level bridge across Emerald Bay, at the west end of Lake Tahoe, probably will be before the 1961 legislature, Capitol News Service at Sacramento believes.

The controversy over building such a bridge to provide a year-around highway around the west end of the lake, or of rebuilding the present road at a high level, has been boiling for years. The present road is blocked by snow and slides for several months of the year.

Residents of the area, with the exception of a few whose homes or property might be in the way of a bridge route, generally have favored the low-level, bridge route.

Strong opposition has come from the state park commission, Sierra Club as well as nature lovers in general.

A number of meetings have been held on the subject and a joint meeting of the park commission and highway commission is scheduled for January 25 to consider a new report from the division of highways. The division's new report outlines plans for a bridge built to descend from one end to the other, resulting in less of an embankment at the ends and less scarring of the landscape.

Assemblyman Paul J. Lunaardi, Roseville, who represents the area, said he is withholding action, pending holding of the hearing.

"I think this hearing should be confined to the facts of the new report," Lunardi said. "We've heard from the nature lovers too many times before.

"If something definite doesn't come from this meeting, I'll have a bill to introduce, authorizing construction of the bridge," he said.

Wolverines Win In Weekend Games

The Tahoe Truckee Wolverines started their last season in Nevada A Conference play with an impressive 57-50 victory over the South Tahoe Vikings Friday night and a 64-58 win over the Stewart Braves Saturday night.

Relying on a staunch defense, the home boys alloted the Vikings only 28 points in the first three quarters. During the last period South Tahoe caught fire and started pouring in the points, scoring 23.

Stu Waite supported the Vikings' attack with 17 points. Benny Ferrari playing a fabulous game, rebounding and shooting expertly for a total of 23 points.

Saturday night saw the Wolverines add another mark to their conference record with a stunning come-from-behind 64-58 win over the Stewart Braves.

With a slow-ball-control type offense, the Braves led until the middle of the second period. The Wolverines went ahead until the end of the third quarter when Stewart tied the score at 45-45.

In the fourth stanza, four of the six first stringers fouled out, leaving only Doug Baxter and Chuck Bergman. Coach Gates promptly sent in reserves Dave Decker, Tom Alameda and Mike Robinson, who immediately increased the Wolverine lead and ended the game six points ahead of the Stewart five.

Bennie Ferrari again led the scoring for the Wolverines with 13 points. John Holley and Doug Baxter shared scoring honors with 12 points each. Terry McCann of Stewart was high man of the game with 22 points, hitting 14 of these from the charity stripe.

The Cubs proved their strength over the weekend by defeating the South Tahoe Juniors 40-21 and the Stewart Jay-Vees 63-50.

Kris Felte led the scoring Friday night with 15 markers to his credit. Norm Doolittle contributed 8 points to the total.

Felte led the scoring for the Cubs again Saturday night with 20 points, hitting on 10 of 12 attempts from the field and pulling down 13 rebounds in an all around performance. Doug Doolittle, Karey Kielhofer, Carl Shusky and Norm Doolittle scored 13, 7, 6 and 6 points respectively.

REAL ESTATE MAN IS NAMED BY BROWN

Governor Brown Tuesday appointed Neil Hennessy of Nevada City to the Nevada County Board of Supervisors.

Hennessy, 56, succeeds the late Supervisor J. C. Coughlan of the third district.

A former military and commercial pilot, Hennessy is in the real estate business.

ART GROUP MEETS

The Sierra Nevada Art Group is holding Wednesday mornings study and work periods, convening at 9:30 in the A. B. Cook building on River Street.

Tuesday evenings at 7:30 charcoal classes are held in Rafael Jolly's studio.

11-Point Program For This Year Is Goal Of Chamber

Directors of the Truckee Donner Chamber of Commerce meeting with the president, Lee Apple at Bank of America Monday night, drafted an 11-point program of activities for 1961.

These points, all important to the community were listed as follows:

1. Cooperate with local merchants to keep the sidewalks and streets clean by the employment of a man to do the job.
2. Continue with leasing the public parking lot.
3. Clean up burned buildings.
4. Annual cleanup in cooperation with the fire department.
5. Sponsor and pay for a survey of the community to obtain statistics on population, growth and business opportunities.
6. Work closely with the Truckee Outdoor Sportsmen to keep the Truckee River regulated and stocked and working with the supervisors and district attorney to press for proper release of water from Donner Lake.
7. Further study promotion of incorporation through a survey made by independent firm.
8. Promote building of new jail and county building.
9. Keep golf course pond flooded for skating.
10. Institute formation of a recreation district to take over beach at Donner Lake for public use.
11. Urge meeting with county assessor on assessments in area as affected by new freeway.

Details of the above projects will be worked out at future meetings of the chamber.

BASKETBALL GAMES TWICE EACH WEEK

Monday night four of the five Lake Tahoe, Squaw Valley and Truckee basketball teams got under way in two games held in the Tahoe Truckee High School gymnasium when the Pacific Telephone Co. team edged out the U Save men by a one point margin, 30 to 29 and the Marrier team was defeated by another close score with the Kings Beach Lions, 50 to 54. Bill Elliott came from Reno to referee the games.

Squaw Valley also has a team which did not take part in Monday's games but the league expects to have games each Monday and Wednesday nights during the season to take place in the school's gymnasium. There is to be no charge for spectators, according to Bob Tonini and a large number of basketball enthusiasts are expected to take advantage of the popular games

FINAL AWARDS ARE GIVEN IN CONTEST

Final awards in the ticket contest at Z Market and Richfield Station were made this week, with the set of tires going to Mrs. Roy J. Halloway of Truckee, the man's electric Schick shaver to F. Bellinghausen of Box 54, Squaw Village and the woman's Schick to Cecil Edmunds of Truckee.

The tires were given by Richfield and the razors by Z Market.

Manager Zeph Rose announced that the winner in the final week's contest were B. W. Reynolds, who received the $5 grocery order and Eleanor Fulcher, who won the five gallons of gasoline.

MORATORIUM ASKED ON VALLEY PARKING

The Placer County Board of Supervisors has recommended a three weeks moratorium on state controlled paid parking in Squaw Valley until the problem of cars parking along roads in the valley can be solved.

William Mullin, president of the Squaw Valley Improvement Association, said the present method is hurting the "number one ski area in the world."

It was pointed out that cars left parked on the roads would be buried by snow plows and create a real black eye for the valley.

THEFT OF NARCOTICS REPORTED BY BRODIE

A theft of narcotics was reported to the Placer County sheriff's substation at Tahoe City by Dr. Douglas Brodie of Truckee.

Dr. Brodie said a bag was stolen from his car, either at Squaw Valley or Truckee. It was subsequently found beside the highway. Narcotics and hypodermic needles had been removed.

Bids Are Asked On Second Phase Of Summit Freeway

$2,700,000 Is Available For Next Project On Summit Road

The state division of highways this week called for bids for the second of three units for the relocation and construction of U. S. Highway 40 freeway over the Sierra mountain summit in eastern Nevada County, according to officials at the Marysville district office.

Bids will be opened February 15. A total of $2,700,000 in state highway funds is available for the project which is also a part of Interstate Highway 80.

The section will extend from the completed freeway 0.5-mile west of Soda Springs, to 2.6 miles east, where it will connect with the grading job started last summer on the seven miles east of the summit which will join the freeway at the east end of Donner Lake two miles west of Truckee.

In addition to excavation and grading, the latest project will include construction of an interchange near Soda Springs, a bridge across the North Fork Yuba River, and an interchange at Castle Peak Road near the summit.

The third unit, to be advertised later, will provide for paving the entire 10-mile stretch which will travel up to two miles north of the existing Donner Summit highway.

Edmunds Chosen As Plan Chairman

Cecil Edmunds of Truckee Monday night was elected chairman of the Nevada County Planning Commission, replacing Charles Litton, who has resigned from the board. Edmunds will fill the term of Litton which expires in July.

In other action the commission approved the Pla-Vada subdivision on Donner Summit and referred the zoning plan of the G. E. Lewis property west of Truckee to the district attorney.

A committee comprised of Edmunds, Charles Kitts, Verne Jones and Mrs. Hillier, was appointed to give further study to the proposed sign board ordinance.

Richard Walker, area sanitarian was among the local people at the meeting.

PANEL DISCUSSION TO HIGHLIGHT SESSION

A panel discussion entitled "Cutting the Apron Strings" will be presented by William Goodhue's civic classes from the Tahoe Truckee High School at tonight's meeting of the high school PTA. The meeting will be held at the high school at 8 p. m.

Taking part in the discussion will be Lynda English, Gail Heath, Tina Gruendeman, Joan Brown, Barbara Kammerer, JoAnn O'Conner, Jill Stollery, Paul Quartly, Mike Robinson, Reginald Smart, Robert Cushman and Gary Snyder.

Mrs. Ava Green, PTA president, will preside and refreshmetns will be served. Everyone is invited to attend.

D. A. SALARY BILL IS OFFERED BY LUNADRI

SACRAMENTO — (CNS) — Assemblyman Paul J. Lunardi has introduced a bill in the assembly increasing the salary of the Nevada County district attorney from $7,200 to $14,500 annually and making it a full-time job.

The bill requires that the district attorney not engage in private practice. The bill was sent to the municipal and county government committee for further study.

OBLIGATION NIGHT IS PLANNED BY LODGE

Directors Named On Lake Fire Board

Voters in the Donner Lake Fire District selected four directors at the election Tuesday but the fifth member is still uncertain as Henry Slack and Dr. Ray Wiser, with 17 votes each, tied for the position.

Others elected were James (Hap) Warnke, who polled 35 votes, Dr. Robert Affeldt with 31, Charles O'Bear, 22 and George Brack, 20.

The auxiliary served coffee to the voters at the fire station.

CHARTER NIGHT WILL OCCUPY AUXILIARY

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will celebrate a charter member party at Donner Lake Lodge on Thursday evening, January 19

Auxiliary members and firemen are invited to attend and bring their spouses to help celebrate this memorable occasion. The auxiliary was organized in March of 1958 and has been very successful in their attempts to help the firemen in every way.

All members will be honored who have been with the organization since it originated. Hostesses for this delightful affair will be Joanne Affeldt, Nancy Brodie and Muriel Wiser. All firemen and auxiliary members are invited to attend and help celebrate.

FILM IS SHOWN AT MEETING OF GROUP

The regular January meeting of the Truckee Elementary PTA was held January 9 at the all-purpose room in the school.

The meeting was highlighted with an informative film entitled "Allergies."

It was reported that there will be a meeting held in Auburn January 21 by the state appointed committee investigating possible improvement in the school system. The meeting will host six guest speakers. There will be transportation available for those wishing to attend.

The room count was captured by the 4th and 5th grades for the third time in succession.

There will be a meeting of the PTA board members January 23 at the home of Mrs. Elinor Fulcher.

THREE YOUTHS HELD FOR GASOLINE THEFT

TAHOE CITY — Deputy Sheriff Ed Hunt of the Placer County sheriff's sub station in Tahoe City apprehended three San Lorenzo juveniles at Kings Beach last week, when they were caught stealing gas from a dump truck belonging to Fred Rockholm of Kings Beach.

The boys, aged 15, 16 and 17, were surprised in the act of stealing the gas by Rockholm, who called the sheriff's office.

They were transferred to the Placer County juvenile hall.

GUILD TO MEET

The Assumption Guild will meet Monday, January 16 at 8 o'clock in the parish hall.

All members are urged to attend to start the New Year out with a good attendance record.

Work Starts Soon On New Truckee Post Office Here

Building To Be Located On Bridge Street Back Of Town

Senator Thomas H. Kuchel and Congressman Harold T. Johnson have been advised by Postmaster General Arthur E. Summerfield that a contract has been signed for the construction and lease to the post office department of a new building for the Truckee post office.

The successful bidders on the lease were Harold P. and Elgeane M. Norton, 109 Stevenson Street, San Francisco 5. Ground breaking and construction is expected to begin immediately, with completion scheduled about September 1, 1961. The lease will run for 10 years with two 5-year renewal options.

The modern new postal building will be located on an irregularly-shaped parcel surrounding the southwesterly corner of Bridge Street and Main Street East. It will provide 2,343 sq. ft, of interior space, a 240 sq. ft. loading platform, and 6,871 sq. ft. of hard-surfaced space for parking and truck maneuvering.

Specifications call for new modern lighting and equipment, including a low, open patron-service counter.

Higgins Appointed Acting Postmaster

Richard Higgins, clerk in charge of the Truckee post office since June 25, was sworn in as acting postmaster by Inspector Richard Biedel Friday.

The appointment is pending the calling of competitive examinations for the position which was held for more than 25 years by Mrs. Elizabeth Bavier. Mrs. Bavier was seriously injured in an automobile accident on December 12, 1959 and for the past several months has been living in the east.

Her term at the post office expired January 6 when she accepted optional retirement and was immediately succeeded by Higgins.

The new postmaster, although on a temporary appointment, will exercise all the privileges provided to a postmaster with full powers.

Since his appointment as clerk in charge last June, Higgins has inaugurated a number of improvements in the service and was given high recommendations by local business people for the appointment.

BODY FOUND BY LAKE PEOPLE IDENTIFIED

The woman beaten to death on a deserted mining camp road, 20 miles east of Nevada City was Katherine Masino, 65, of San Jose, Sheriff Wayne Brown has learned.

Identification was made by the woman's sister, Mrs. Lena Bartlett from dental charts and pictures. Mrs. Masino was killed by blows on her mouth and forehead and was strangled wtih her own scarf.

The body was found by Richard and Carmen Leon and their wives of Kings Beach, who were in the area inspecting mining property New Year's Day.

VETERANS' OFFICER WILL BE HERE FRI.

The Nevada County veterans' service officer will be in Truckee tomorrow between the hours of 10 a. m. and 3 p. m. and will be at the office of Judge Fosten Wilson for the convenience of those desiring to avail themselves of the service.

H. E. Nolen, the service officer, said he would assist veterans in filling out the questionnaire which they received with their December checks. Deadline for filing these forms is January 31.

CENTURY PLATE

LICENSE

Hans Osterud, 34, and Priscilla Irish, 32, both of Tahoe City were issued a marriage license this year at Auburn.

Ed Androus Chief Of Department As Officers Selected

Edward L. Androus was elected chief of the Truckee Volunteer Fire Department at Tuesday night's meeting, replacing Glenn Coffey who resigned because of health reasons. Androus has been a lieutenant in the department for three years.

H. L. (Bud) Owens was reelected assistant chief and other officers named were Robert Siebold and Preston Patnoude, captains, the former being relected; Charles Ed Smith and Charles Olano, lieutenants; Roy Waters, secretary; Irv Waters, sergeant at arms and N. F. Dolley, fire marshal.

Coffey was named engineer for the department.

The department voted to buy and install a mobile power plant in their rescue truck. This $700 expenditure is borne by the department and not the district and any aid toward the purchase will be appreciated.

Twenty-six firemen attended the dinner meeting.

Slayer Sentenced To Gas Chamber

Stanley William Fitzgerald, 40, Friday was sentenced to die in San Quentin's gas chamber for murdering George Bonn of San Francisco last August 3 at Woodchopper Springs near Truckee.

The actual execution date has not been set.

Under the state law, the sentence automatically is appealed to the state supreme court. Fitzgerald will not be delivered to San Quentin until after his trial on charges of robbery, automobile theft and assault with a deadly weapon growing out of his alleged jail break. The trial is scheduled for January 16.

Judge Vernon Stoll pronounced the sentence after Fitzgerald's attorney, Robert Fugazi of Truckee had made a motion for a new trial which was denied.

BOYS HAVE DEVISE FOR STEALING GAS

Two 17 year old Hayward boys were apprehended by Deputy Sheriff Leo Zander and an ingenious devise for stealing gasoline was confiscated.

The officer received a call from Mrs. Charles Olano that the boys were taking gasoline from a truck on Church Street. The investigation showed the boys in a 1954 Chevrolet had rigged up two hoses which were attached to a home-made electric motor, generated off the car engine and used to suck gasoline from any vehicle parked next to them into tanks or cans.

The boys readily admitted their guilt and were charged with petty theft and tampering with a vehicle.

Danger Of Forest Fires Eminent As Three Are Fought

'Controlled' Burn Is Threat To Summer Homes Near Donner

It may be far-fetched, but forest fires can occur in the high Sierra in January.

The incipient forest fire near Donner Monument Saturday afternoon resulted in a warning from District Ranger Roy Saarni of the U. S. Forest Service that the Truckee district is ill prepared to combat fires, although willing to do so to the extent of manpower and equipment available.

The fire for a time got out of control where Briggs and Conley, road contractors are clearing the right of way for the new summit freeway. The Donner and Truckee departments were called to lend assistance to the road crews and no material damage was caused.

However, with a strong wind blowing, a major fire was in the making and a warning issued to burners to be particularly careful.

Saarni said that after December 1, burning permits are no longer required, leaving the responsibility directly up to those starting fires.

The forest service here during winter months maintains only a minimum crew, has no equipment available, although efforts are being made to keep at least one tanker in the area for emergencies, and no lookouts or patrolmen are kept on the job.

"It isn't that we don't want to help fight fires and we will lend all possible assistance," Saarni said. "The fact is we just don't have the men or equipment available."

Crews burning in the area have been repeatedly warned against letting fires get out of control and it was pointed out that the winds and dryness of the forest offer a potential danger which should not be overlooked at any time.

As a matter of fact two fires occurred in the Sierraville district last weekend. One swept over 100 acres of brush land between Loyalton and Vinton and the other hit north of Loyalton near the Copeland ranch. Both were blamed on trash fires getting out of control.

Sportsmen To Hold Meeting Tomorrow

The first meeting of 1961 of the Truckee Outdoor Sportsmen will be held at 8 p. m. in Capitol Hall, tomorrow, Friday, the 13th when plans for the new year will be outlined and discussed and a film titled "Water, Use It Wisely," will be shown. William Fordham will preside and refreshments will be served.

New and renewal of memberships to the vital organization are only $1 each and a drive for members is being started this month to add voice to solving the problems which confront sportsmen.

POOR BOX THEFT IS SOLVED IN ARRESTS

An armed robbery and burglary ring which officers say was responsible for some 20 burglaries from Lake Tahoe to Sacramento has been broken up with the arrest of four men at Auburn.

The suspects are Gilbert L. Linarez, 24, his brother, Rudolph, 25, both of Citrus Heights, Archie Palos, 25 and Francis B. Mossynski, 25, both of Roseville.

The crime spree,, according to officers started early last year and included robberies in El Dorado, Nevada, Placer and Sacramento counties.

The crimes, they said, included the looting of a poor box at the Catholic Church in Squaw Valley.

EDUCATIONAL GROUP MEETS HERE JAN. 17

The first TTEA (Tahoe-Truckee Educational Association) meeting for 1961 will be held at the Truckee Elementary School at 4 p. m. on January 17. President Alysmae Schultz of the Kings Beach Elementary School will preside at the meeting.

Dean Seeger of the Lake Tahoe Area Council will be the principal speaker at this meeting.

The faculty of the Truckee Elementary School will be the host for the meeting and will serve refreshments to those attending.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO—(CNS) — Is the California National Guard a decadent bureaucracy instead of an up-to-the-minute defense unit ready for transfer into the regular army of the United States in case of an emergency?

This appears to be a question which probably will concern the state legislature. Detailed investigations, resulting from certain developments of the past few days, may be in order when the legislature gets the story.

Primarily, the national guard is supposed to be an organization on call to assure the internal security of the state in times of disaster, or the break-down of law and order, and for incorporation into the military forces of the United States in time of war. The governor of California is the commander-in-chief, and can order out the guard at his discretion.

Recently Governor Edmund G. Brown released Maj. Gen. Earle M. Jones as commanding officer of the guard, and Jones charged the release was for political reasons.

Later, it developed as the result of inquiry from previous officers in the guard, that the organization is due for a major shake-up because of differences of opinion between the governor and guard officers in matters of cooperation between the guard and the office of civil defense.

The forthcoming shake-up appears also to be line with Governor Brown's efforts to cut down all expenditures possible in state government, and weed out needless waste of the taxpayers' money.

The national guard is a heavy drain on the taxpayer. State money invested in so-called defense amounts to approximately $2,700,000 annually, a good part of which goes for salaries of full-time personnel, and some $19 million of federal funds, contributed by the federal government on the theory the guard will be ready for action when and if necessary.

One former officer who was "retired" after 19½ years of service, and just six months prior to his qualifying for retirement, said frankly that "the officers who are making a profession out of the guard are destroying the weekend concept and setting up a bureaucracy."

He said his former squadron had 102 men, a building, two acres of property, but no equipment. The squadron built up a staff of 14 full-time personnel. A question that might interest the legislature is what did the 14 people do during the week, and how many more squadrons are in the same shape?

The question might also be asked as to whether the Guard is getting late equipment and instruction as to how to use it from the federal government. Without this equipment and instruction in modern warfare, the $22.7 million organization might appear to be useless if war should break out.

In any event, there are many questions which appear to need more definite answers than are available at the present time. The taxpayer would like to be certain his money is going into a potent organization, rather than another state bureaucracy.

NORTH TAHOE BRIEFS..
. . . by BETHEL

The Lake Tahoe-Sierra Chamber of Commerce has scheduled a dinner meeting at the Nevada Lodge, Crystal Bay, for Thursday night, 7:30 p. m. Business meeting will follow the dinner. New by-laws, directors, and the president's report, followed by the showing of the chamber's film, "Fabulous North Shore of Lake Tahoe," is the agenda for the evening according to Tom James, president.

Members and their guests, and interested individuals, are welcome to the dinner and business meeting or if unable to attend dinner, just the business meeting. Indications are for a record turnout.

Directors to be elected are Lee Apple, William Briner, Florence Brown, Selby Calkins, Robert Danneri, William Elliott, Earl Gray, Tom James, George Kehlet, Carlton Kornaske, H. E. McCoskey, William Newsom, Jr., Wendall Russell, Frank Vernon and Bethel Van Tassell.

An advisory council will be organized and members of this council will attend board meetings and lend assistance to the chamber. Members on the council are R. Anderson, Gordon Brown, Pete Bennett, Carl Bechdolt, Harry S. Hooper, Don Huff, James Hume, Norman Mayfield, Harry McIntire and Fred Schultz.

North Tahoe Women's Club executive board met at the home of President Bethel N. Van Tassell, at Tahoe Vista, Tuesday. Plans for the January meeting, Monday, January 30, luncheon and speaker, were discussed and suggestions and preparations made for the hat party in February which is an annual affair. Board members are Pat Simmons, Pat Crowe, Pearl Draney, Zoe Ann Jensen, Theresa Sutton, Ceta Hooper, Alice Sorensen, Ruth Mizner, Joy Plunkett, Tallie Daneri and Elizabeth Streeper.

Mr. and Mrs. James Starr and grandsons, Kevin and Mark Mullahy of Santa Rosa, were New Year's guests at the home of their daughter and husband, Mr. and Mrs. Kenneth Wilson, and granddaughter, Michele, at Carnelian Bay. The Wilsons spent the Christmas holidays with the Starrs at Santa Rosa and visited other friends and relatives during their vacation.

Women's Society Christian Service of the Kings Beach Methodist Community Church met at the home of Ella Rae Fulton at Kings Beach Wednesday. President, Ruth Mizner, introduced the speaker of the day, Ann Beavers of Kings Beach. Potluck lunch followed the program.

The WSCS meets each first Wednesday monthly at various homes of members. It is non-denominational and open to all women. Next month, February, the meeting will be at the home of Mrs. Lyle Gunkle, of Tahoe Vista.

Connie Wainscoat of Kings Beach has purchased the M. and R. Distributing Company in Reno. Restaurant, bakery and fountain equipment are available at M. and R. Son Jim and daughter Becky are working in the office with their father.

Son Damon has been transferred from Fort Ord to the 82nd Airborne Jump School in North Carolina. Congratulations to Damon, and proud parents Connie and Troy Wainscoat.

Marlea Draney, 13 year old daughter of the Ted Draneys of Incline Beach, left by plane on January 4 for Salt Lake City. Marlea will enter the Shriner's Hospital in that city for a spinal operation and expects to be hospitalized for the next nine months to a year. Good luck, Marlea.

DONNER SUMMIT NEWS

By LLOYD W. GAY

SUMMIT WEATHER

The weather in the central Sierra continued warm and calm with temperatures above the seasonal average although becoming unsettled over the weekend with promise of snow early in the week. No measurable precipitation fell at Soda Springs for the third week, since December 18. The snowpack on the ground Sunday totaled 38 inches, and the total seasonal snowfall remained at 112 inches. The maximum temperature reached 47 degrees on January 7, and the minimum dropped to 8 degrees above zero on January 3.

TEEN ROOM REMODELED

The recently remodeled teen room in Pat's Ski Inn is serving as a center for teen-agers who live and ski in the summit area. Mike and Bob Jinks are the teen-age managers, and they are open for chaperoned dancing, games, etc., on the weekends. The teen room has a coke bar, and a juke box. It is available during the week for scheduled parties.

SIERRA LAKES SNOCAT

The Sierra Lake Club recently received a Tucker Snocat which will be used to transport members and guests into the clubhouse during the winter months. The cat, a brown and cream color, was purchased from the Pacific Telephone Company.

SNOW LAB NEWS

The chief of watershed research for the U. S. Forest Service's Pacific Southwest Forest and Range Experiment Station at Berkeley, visited the snow laboratory, one of the experiment station's field laboratories, early in the week. He was accompanied by Henry W. Anderson of the Berkeley office who is in charge of the snowzone research program, and Al West of the Berkeley office, formerly in charge at the snow laboratory. Other visitors included Professor Paul Zienke, of the University of California, who was accompanied by six graduates from the school of forestry, and Dr. Arthur Noschoviak from Washington State College. Robert D. Briggs joined the lab staff after Christmas. Briggs, whose home is in Riverside, is an ex-marine electronics technician, and has attended Riverside Junior College.

INTERNATIONAL HOLIDAYS

The Soda Springs Hotel resembled an international house that was reminiscent of the Olympic days during the Christmas holiday period. All registered at the same time were members of an international teachers tour with members from Belgium, Brazil and Spain, also a family from Hawaii, a man and his wife from Venezuela, and a couple from Canada. They were all enjoying the summit ski areas.

SUGAR BOWL JUNIOR RACERS

The Sugar Bowl junior team competed in the Junior Point Races held at the Sugar Bowl on Mt. Disney this past weekend under the direction of Coach Emo Henrich. Coach Henrich felt that his charges did well for the amount of experience and training that they had received as Barry Cardwell finished fifth in class four slalom. The team, organized and supported by Sugar Bowl member James Coonan, wore their new uniforms of blue quilted parkas and blue-and-white crash helmets with the Sugar Bowl emblem. The team will concentrate their workout in preparation for the next junior point race to be held in three weeks at Mammoth Mountain. Over 150 junior racers competed in the Sugar Bowl meet. Congratulations to Billy Cardwell who finished sixth in the Class IV downhill, and fifth in the Class IV slalom, and to Billy Strickland who finished 12th in the Class III slalom.

TRI-LODGE SKI MEET

At the Fifth Annual Tri-Lodge Ski Meet, held at the Sierra Club's Signal Hill ski area, the Sierra Club retained possession of the Tri-Lodge trophy defeating the Heidelmann Lodge team by nearly a minute, 5 minutes, 39.1 seconds to 6 minutes 38.2 seconds. The Associated Students University of California Lodge was not represented by a team this year. The team total times were made up of 10 men and five women from each lodge running the 15 gate giant slalom course. The top time for the men was turned in by John S. Thube, Jr., of the Sierra Club in 28.8 seconds, followed by Kurt Weckaiser of the Heidelmann Lodge in 19.5 seconds. The top time for the women was turned in by Patty Formichelli in 35.1 followed by Roberta Huber in 35.6 and Jackie Paris in 35.6, all of the Sierra Club.

SCHOOL SKI PROGRAM

The pupils at Donner Trail Elementary School will be able to take advantage of the Tahoe Truckee School Districts ski program, as a six weeks course for beginning and intermediate junior skiers will be offered to the pupils at the Pla-Vada ski area on Friday afternoons. Manager Dick Read will instruct the classes. Principal Rex Anderson stated that ski equipment would be available at a special rental rate for those children who do not possess their own equipment.

BOMB SHELTER BILL

Assemblyman Paul Lunardi has introduced a bill in the state assembly which would authorize county boards of supervisors to exempt specified bomb and fallout shelters from property taxation.

STOCKTON MAN WILL SERVE GAME BOARD

SACRAMENTO—(CNS) — Dante J. Nomellini, Stockton builder and sportsman and brother of the football player and wrestler, was named as a member of the California fish and game commission.

Nomellini, 48, replaces Carl F. Wente, San Francisco, as of January 15.

Nomellini is an active member of Ducks Unlimited and is a founder of the Venice Island Hunting Club near Stockton. In addition to his construction activities, he also has diversified farming interests in San Joaquin County. Nomellini is a member of the Greater Stockton Chamber of Commerce, Waterloo Trap and Skeet Club, Yosemite Club and Commercial Exchange Club of Stockton.

The new commissioner and his wife, Evelyn, live in Stockton. They have two children attending college.

For 16 days in 1818 Monterey was held by the pirate Hypolite Bouchard, who flew the flag of Buenos Aires over the city.

STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC WORKS
DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p. m. on February 15, 1961, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada County, between 0.5 mile west and 2.6 miles east of Soda Springs (III-Nev-37-B), roadways for approximately 3.4 miles of 5-lane divided highway are to be graded, drainage facilities are to be installed, and 3 bridges are to be constructed.

Bids are required for the entire work described herein.

Plans, specifications, and proposal forms to be used for bidding on this project can only be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California.

Plans and specifications may be seen at the office of the State Highway Engineer at Sacramento, at the offices of the District Engineers at Los Angeles and San Francisco, and at the office of the District Engineer of the district in which the work is situated.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Standard specifications and special provisions.

The Department of Public Works reserves the right to reject any or all bids.

Minimum wage rates for this project have been predetermined by the Secretary of Labor and are set forth in the special provisions. In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Abbreviations used in the schedule of predetermined wage rates in conjunction with employer payments listed in the right hand columns are identified as follows:

ph	per hour	pd	per day
phw	per hour worked	pdw	per day worked
php	per hour paid	pdp	per day paid
phw/p	per hour worked or paid	pdw/p	per day worked or paid
psth	per straight time hour	w	wage
psthw	per straight time hour worked	gw	gross wage
psthp	per straight time hour paid	tw	total wage
psthw/p	per straight time hour worked or paid	pmd	per man day

Employer payments other than those itemized herein, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

Overtime, Sundays and Holidays—not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

Copies of all collective bargaining agreements relating to the work as set forth in the aforementioned Labor Code are on file and available for inspection in the office of the Department of Industrial Relations, Division of Labor Statistics and Research.

Attention is directed to Section 7-1.01G of the Standard Specifications providing for employment of apprentices on the work. Every such apprentice shall be paid the standard wage paid to apprentices under the regulations of the trade at which he is employed. Information relative to employment of apprentices shall be obtained from the Director of the Department of Industrial Relations, who is the Administrative Officer of the California Apprenticeship Council.

Pursuant to the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the county in which the work is to be done as follows:

FIRST, SECOND AND THIRD COMBINATION: Sandy Poulsen topped her holiday by winning a ski trophy which we have displayed in our room.

Mike Byers joined our first grade on Tuesday. His daddy is a ski instructor at Squaw Valley.

SECOND GRADE: With Christmas vacation over, the class is again ready to go to work. Everyone is trying very hard to perfect their writing. Bill Moyer, Yvonne Baker, Nikki Ballenger, Susan Cannon, Carol Ann Pelletier and David Thomson all received 100 per cent in their combinations up to 19.

THIRD GRADE: Mr. Reynolds is stressing neatness these days.

Helping Mrs. Long's third grade to keep good order these days are Leslie McBride and Mark Rivard who have taken over the job of "desk checkers" for Brent Bradley. The newly elected president, Douglas Lindsey and the vice president, Lynn Duttweiler will also be expected to help keep this room one of the most orderly at Tahoe Lake School.

FOURTH GRADE: Children receiving hundreds in a time test in long division were: Meredith LaTour, Shirley Stark, Camille Shirley, Jim Caulkett, Mike Ketten hofen, Shirley Gratner, Jimmy Banta, Heidi Henrikson, Jim Orr, Greg Pyle, Mike Cannon, Richard Burchett, Mike Dempsey, Dennis Scoville, Denise Kimball, Ray Street, Cheryl Bechdolt.

FIFTH GRADE: During the language exercises in letter writing, many friendly letters were written and sent to Tommy Hoff who had a most unfortunate ski accident and is out of class temporarily with a heavy leg-cast.

SIXTH GRADE: New officers for the month of January were elected on Tuesday. They are: president, Georgianne Luffy; vice president, Gary Taylor; secretary, Marty Spitsen; team captains, Bonnie English, Nancy Donaldson, Douglas Wirtz and Ralph Stromgren.

SEVENTH GRADE (Mr. Hawk): The class elected new officers for the next six weeks. they are: president; Cathy Conners; vice president, Dick Nielsen; secretary, Alex Cushing.

SEVENTH GRADE: (Mr. Steinhauser): Back again to school, after nearly two weeks of holiday.

Doing exceptionally well in social studies are: Cynthia Chandler, Becky Gorgias, Kirsten Hansen, Virginia Laughlin, Jill Lyons and Ann Skerry.

EIGHTH GRADE: Following is the way we all spent our Christmas vacation: skiing and ice skating were: Donnie Bury, Eddie Hoff, Larry Ingram, Mike Keehn, Barry LaTour, Larry Lindsay, Roland Mathewson, Roger Michener, Pat Payton, Karen Addleman, Holley Shaw, Jayne Shontz, Carole Hopkins, Evelyn Hudspeth, Katie Schweiger, Susan Stephani and Janet Stromgren.

Those who worked were: Larry Detzler, Linda Sprague, Patti Byrd and Mike Mudge.

Greg Moore took advantage of the free ski lessons under the direction of the Olympic stars in Reno.

Lisa Davis visited in Auburn. Harlene Hopkins and Sherry Wall spent their vacation in Sacramento, Bill Scott in Los Angeles and Linda Taylor in Chico.

MORE THAN MILLION AT SQUAW IN YEAR

SQUAW VALLEY—Park supervisor Theodore Wilson announced the total attendance in Squaw Valley State Park since April 1, 1960, is estimated at 604,837, bringing to 1,077,707 the number of visitors in the valley for the calendar year 1960.

Wilson said 44,477 skaters have used the rink in the Blyth Memorial Arena since April 1 and the number of spectators in the arena since that date totals 345,093.

During Christmas and New Year holidays there were 86,600 visitors in the park.

There were 21,675 cars, 5,832 ice skaters and 5.046 guests in the Olympic Village dormitories for the period from December 18 through the 31st.

Junior skiers representing the Lake Tahoe Ski Club captured eight first places out of a possible twenty at a two day F. W. S. A. meet held Saturday and Sunday at Sugar Bowl. This junior point championship meet was sponsored by the Sugar Bowl Club.

The Lake Tahoe Ski Club entered approximately twenty junior racers in the meet. Winning two first places each in their respective classes were Greg Moore of Tahoe City and Paul Sullivan of Squaw Valley. Also winning first place honors were Karen McBride and Cheryl Bechdolt of Tahoe City and Sandy Poulsen and Mark Sullivan of Squaw Valley. Girls winning second place honors were Karen McBride, Cheryl Bechdolt, Sandy Poulsen and Dianne McBride. Mark Sullivan won second place honors in his boys' class.

The next competition the Lake Tahoe Ski Club Junior Racers will enter is the two day meet to be held January 27th and 28th at Mammoth Mountain.

A meeting of the Corpus Christi Guild of Tahoe City was held Monday night at the home of Mrs. Barbara Spitsen in Tahoe City. A highlight of the evening was the talk of the Rev. Father P. J. O'Neill who discussed his recent three-month European tour. President Martha Snyder presided over the meeting which was followed by a surprise baby shower for Mrs. Kathy Sullivan. Mrs. Maisie Carnell made some beautiful and unusual decorations for the party.

Those attending were Bernie Bechdolt, Katherine McBride, Joanna Emerson, Joanne Lambert, Chris Bonino, Mary Anna Connors, Pat Vanni, Marie DeGallery, Barbara Martin, Marie Henry, Phyllis Gardner, Caroline Onareta, Barbara Spitsen, Maisie Carnell, Martha Snyder, Kathy Sullivan and Father O'Neill.

An interesting program is planned for the next regular meeting of the Tahoe Lake School PTA which will be held at the Tahoe Lake School Wednesday, January 18, at 7:45 p. m.

The program committee has announced that a member of the Placer County sheriff's department will present a discussion on the problem of narcotics. Another feature of the evening will be a discussion on school reference libraries by Mrs. Cleda L. Hull who is an expert in the field of reference works in relation to children's educational needs.

All persons interested in the activities of the Tahoe Lake School are urged to attend this meeting.

Donner Doings

By VIRGINIA O'BEAR

I think we have been having beautiful weather and all of the weather forecasters have been wrong as they predicted heavy snow for the Sierra. We did see a few flakes Monday morning but it wasn't long before the sun was shining brightly. I do hope we get some snow soon so the skiers will have something to ski on besides ice and snags.

Many people at Donner Lake will be happy to know that when the new telephone books come out in July, a picture of Donner Lake will be on the cover. Mr. L. DeGallery, manager of the telephone company made arrangement with me this week for a picture of the lake to be used for this purpose. I understand it has been ten years since Donner Lake has had the honor of being pictured on the cover.

* * *

Donner Lake Resorts held a meeting at Donner Lake Lodge Sunday evening and many people enjoyed the interesting presentation by guests James McIver of Truckee and Sherman Reams of Soda Springs. Ivan Tofft presided at the meeting and many people are enlightened on the cost of sewage which will be at Donner Lake within a few years. You just cannot stop progress and people have to live modern so why not Donner Lake?

* * *

The Donner firemen were buzzing around the fire house Sunday like busy bees preparing for Tuesday's election. They were sprucing up the place and working on the equipment and all seemed to be enjoying it when I went by. The firemen were called out last week as some of the controlled burnings got out of hand due to the strong wind. They quickly got it under control much to the relief of the home owners at the east end of the lake.

The ladies auxiliary will really have an enjoyable meeting at Donner Lake Lodge on January 19th as they will be taking their husbands to help celebrate the special charter member party. All members are invited to attend and bring their spouse and the firemen have been invited to come and bring their wives. Hostesses Joanne Affeldt, Nancy Brodie and Muriel Wiser have been busy planning so that it will be an enjoyable evening for all. This charter meeting is to honor all members who have been with the auxiliary since it was organized in 1958.

Bess Reid and Lillian Garr arrived back home last Thursday and Bess said they had a wonderful time in Hawaii visiting with her son, Larry. They had a very enjoyable Christmas together, having their Chirstmas dinner at the Reef Hotel where they stayed. After visiting and touring around Pearl Harbor and the islands, they celebrated New Years Day with a dinner at the Gourmet. Larry is released from the hospital now but has to take it easy for awhile. Bess and Lillian took a jet and Bess says it is the only way to travel.

Bert and Arline Johnson will be at their Donner home this weekend. Arline said they just had to get away from their busy city life and visit the Donner folks. I'm sure everyone will be happy to see them as they haven't been up for quite awhile. They are from Novato.

* * *

I think I have a lot to look forward to in 1961 at Donner Lake. Right now we are busy with skiiers and hope to be until Easter. We have elections for the fire department and auxiliary in February and we have fishing to enjoy when the season opens in a few months. We have an old fashioned box social coming up Easter when a queen will be crowned for the Donner Lake Regatta. We have the Regatta which will be exciting on July 9th and of course swimming, boating and picnicking and hunting in the fall. I like this time of the year when you can sit back and think of all the many things ahead for the year and what you have to do that isn't in the line of pleasure, also. It is fun to plan and then at the end of the year look back and see if you have accomplished everything you wanted to do. It is a challenge sometimes and I'm sure we all experience this feeling with the new year just beginning.

CHANGES ARE MADE IN HIGHWAY STAFF

A realignment of engineering and administrative functions and the appointment of an additonal assistant district engineer has been announced by Alan S. Hart, district engineer for the Marysville District III office of the state division of highways.

The adjustment has become necessary, he said, due to the increased growth of freeway and interstate planning, design, and construction activity as well as other state highway projects in the 11-county valley-mountain district.

It is the first top-level expansion and reorganization in 10 years, during which time the district's construction budget has increased an average of five times over the 1950 allotment.

The following promotions and reassignments became operative January 3, 1961:

R. E. Biggs, Yuba City, promoted from district construction engineer, administration, to assistant district engineer, administration.

P. C. Sheridan, Marysville, assistant district engineer, administration, assigned as assistant district engineer, design, a new position.

M. E. Nelson, Marysville, district location engineer, assigned as district construction engineer, administration, to replace Biggs.

E. W. Knaebel, Yuba City, promoted from associate to senior highway engineer and assigned as district location engineer to replace Nelson.

H. F. Sherwood, Yuba City, will retain his position as assistant district engineer, planning.

E. L. Miller, Yuba City, will continue as assistant district engineer, operations.

Four of the district's 13 major engineering and administrative departments were shifted under the change. The right of way department, under District Right of Way Agent Gilbert Mulcahy, Yuba City, was unaffected by the shuffle.

Hart said that each of the four assistant district engineers will be responsible for specific related groups of functions which will provide clear lines of management and action. The move will also more evenly distribute the increasing work load.

CHURCH BENEFIT IS PLANNED AT LAKE

KINGS BEACH—Plans are being laid for the annual buffet dinner to benefit the Kings Beach Community Methodist Church. Crystal Bay Club is donating food and facilities for the event which will take place on January 26.

A sumptuous buffet dinner and entertainment will be the order of the evening to which everyone is invited. Tickets for adults will be $2.50 and for children under 12, $1.50.

COUNTY PAID SHARE FOR VEHICLE FEES

SACRAMENTO — (CNS) — The state has included a $6,032 payment to Nevada County as its share of $9,067,964 distributed to 369 cities and 58 counties from state-collected motor vehicle license fees.

State Controller Alan Cranston said the apportionment, the first and smallest of three to be made in the 1960-61 fiscal year, represents about 8 per cent of what the cities and counties can ultimately expect. Larger apportionments will be made in April and June he said.

Cranston said the comporabale apportionment in 1959-60 was $9,039,305.

Fees are allocated in accordance with a population formula which allowed approximately 40 cents for every city resident and approximately 29 cents for every county resident.

Sparky says:
If Fire Strikes Your Home...

GET OUT of the house the minute you discover it or smell smoke!
ALWAYS be ready to use different escape routes from any room in your house!
TEST doors before opening. If doors are hot, block them with furniture or wet mattresses to keep out smoke and gases. Get out another way!
NEVER jump from upper-story windows except as a last resort! Wait for firemen.
HOLD your breath if you have to make a dash through smoke and flame!
REMEMBER, the air is usually better near the floor in a smoke-filled room!
CALL the fire department at once! They know how to fight fire. Don't waste your time or your life trying to fight a fire, unless it's so small you're sure you can control it with the right extinguisher.
DON'T ever go back to a burning building for any reason! Smoke and fire gases from even the smallest fire can be deadly.
GET medical treatment at once, if you're burned or exposed to fire and smoke! Seemingly minor burns or smoke inhalation can have fatal results.

DON'T GIVE FIRE A PLACE TO START!

INCLINE IS SIXTH IN COUNTY ASSESSMENT

CRYSTAL BAY — Sixth largest assessed valuation in Washoe County is held by Crystal Bay Development Co., study of the recently published tax assessment roll for 1960 revealed.

The company has been engaged in developing the 9,000 acre Incline Village project on Nevada's north shore of Lake Tahoe only since June, 1960. The entire residential and resort area lies within Washoe County.

The new tax roll shows the company properties asesssed at $2,348,985, representing a three-fold increase in tax revenues to the county over last year's assessed valuation of $752,000.

To make another comparison, the Incline Village assessed valuation exceeds that of the total of all other Lake Tahoe property in Washoe County by more than $800,000.

Only the Southern Pacific Railroad, Sierra Pacific Power Co., Bell Telephone Co. of Nevada, Western Pacific Railroad and First National Bank of Nevada rank ahead of Crystal Bay Development Co. in total assessed valuations listed in the new county tax roll.

NOTICE OF HEARING

VARIANCE FOR SETBACK WOODVISTA SUBDIVISION, LAKE TAHOE

Notice is hereby given by the Placer County Planning Commission that a public hearing will be held by said Commission on Friday, January 13, 1961 in the Supervisors' Room, Courthouse, Auburn, California, at the hour of 11:15 A.M. to consider the application of Jerome Hollander for an adjustment to the Zoning Ordinance to allow construction of a 100' x 200' recreation center on Multiple and Single-Family Zoned property. Said adjustment is required due to hardship since conformance with the setback requirements of Ordinance 108-B would allow insufficient space for construction of a building and use of this property of this size on the following described property:

Lots 36, 37, 38 and Lot 1, Block Q, Woodvista Subdivision, Lake Tahoe (Riding Stable opposite Klahoja Motel).

At said hearing all persons in favor of the granting of said adjustment and all persons opposed thereto may be heard.

SIERRA BIBLE CHAPEL
(Non-denominational)
Rev. Rov S. Rhoades, Pastor
Sunday School: 9:45 a. m.
Morning worship: 11 a. m.
Sunday evening, 7 p. m. pastor's home.
Wednesday evening Bible study —Kings Beach, home of Glen L. French at 7:30.

Pastor Rhoades and five or six laymen of the church are continuing to go to the Nevada State Pententiary for services held each Saturday between 1 and 3 in the afternoon. The first hour is given to counseling and a Bible study while the second is spent in a regular worship service. The prisoners who are attending regularly have been given Gideon Bibles and simple Bible study books published by Moody Press.

Because of the distance to Carson City and a full schedule on Sunday, Pastor Rhoades had to choose these hours on Saturday to minister in the prison. This is the only consistent, weekly, religious service held in the security prison; and it has already proven to be of real help to the prisoners. Forty-six men have made public confessions of faith in Christ.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
How true health and harmony are established will be brought out in the Lesson-sermon entitled "Life" at Christian Science churches Sunday.

Included in the Bible readings is this statement from Deuteronomy (5:33): "Ye shall walk in all the ways which the Lord your God hath commanded you, that ye may live, and that it may be well with you, and that ye may prolong your days in the land which ye shall possess."

This passage from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be read: "Our proportionate admission of the claims of good or of evil determines the harmony of our existence, — our health, our longevity, and our Christianity" (167:7).

The Golden Text is taken from I John (5:11): "This is the record, that God hath given to us eternal life, and this life is in his Son."

"That horn-blower behind me got my goat . . ."

Even good drivers can be forced into accidents! A hill-climbing truck ahead and a parade of honkers behind can try your patience. A tailgater with blazing lights can make you boil. But don't let them push you into a rash move. Traffic accidents killed 37,000 people last year. Who knows how many died because some good driver let another pressure him into taking a foolish chance? Don't let anger force you to risk lives—yours or others!

TAHOE BRIEFS

(Continued from Page 2)

Lucille Draney of Incline Beach has returned home from a Reno hospital where she was hospitalized following an injury to her back from a bad fall.

Will Mizner and T. McFadden of Kings Beach were Sacramento visitors last week. While in Sacramento they attended the Fireside Lane school of instruction given by Buddy Bomar for bowlers. Upon their return, morning classes will be arranged at the Kings Beach Bowl for persons wishing instruction in bowling. Interested? Phone LIberty 6-2594.

Home for the holiday vacation wasGwen Mizner a student at Davis, and guest Tom Hart and Tim Mizner a student at the University of Nevada, to parents, Will and Ruth Mizner of Kings Beach.

Holiday guests at the Lyle Gunkle Tahoe Vista home were daughter, Beverly, from Chico State College; daughter Pat and her husband Phil Edward, from San Jose; Mr. and Mrs. S. P. Polson (Mrs. Gunkle's parents) and son Paul of San Jose.

Sailing Friday from San Francisco on the President Wilson for the Orient were L. S. and Elizabeth Streeper of Brockway. Itinerary includes two weeks in Japan, two weeks in Hong Kong, Manila, back to Hawaii to meet friends from Arcadia, Mr. and Mrs. Carl Brown for a couple of weeks. Thence home via Pan Am to Los Angeles and back to Tahoe after April 1. Bon voyage, and happy landings.

Mr. and Mrs. L. S. Streeper of Brockway welcomed daughter Barbara and son Richard home for the holidays. Barbara is a teacher in San Francisco and Richard is at school in Salem. Richard's fiance Sue Snyder of Seattle was also a guest of the Streepers.

Marguerite Ashton of Kings Beach has distributed the posters and tickets for the Sierra Winter Stock presentation of Bell, Book and Candle. The play will be staged at the Nevada Room of the Nevada Lodge, Crystal Bay, Tuesday and Wednesday nights, January 17 and 18 at 8 p. m. You-all come.

Mr. and Mrs. Tom Sutton of Kings Beach and Mr. and Mrs. John Rayburn of Incline Beach entertained Mr. and Mrs. Lucien Laieau, of Tucson, Arizona, at Harrahs on the south shore during their visit.

Don Stumbo of Kings Beach is a visitor at Laguna Beach where he will also transact some business affairs.

Vernon and Jeanette Holmes and sons Tommy and Emery of Auburn were New Year's visitors to cousins Bethel Van Tassell and sons Pieter and Jan and cousin Ceta Hooper, and husband, Harry, and sons Charles and Jon.

George and Dean Phillips, winter residents of Reno, visited their summer resort at Tahoe Vista and the Robert Critchley family.

Returning from a two weeks vacation trip and skiing outing at Aspen, Colorado, is Jackie and Zoe Ann Jensen and children Jan and Jon. Baby brother, Jay, went to Oakland to visit grandparents while the winter sports enthusiasts were away. All are home now but Zoe reports that Von Peppi, a six months old German shepherd puppy, must have been lonesome and doesn't know the Jensens are back. He didn't like the dog sitter apparently and strayed off. Should any one get a dog when they call "Peppi," call the sheriff's office and make three Jensen children happy.

Mr. and Mrs. George Bingham of San Francisco were New Year's guests of John and Lila Gorinda at Tahoe Vista.

Mr. and Mrs. John Keever and children Vickie-Jon and David of Reno, and Jack Bosta, spent New Year's at the home of their parents Jo and Mike Bosta of Tahoe Vista.

Francis and Juanita Clark of Marysville were New Year's guests at the Harry S. Hooper home on Lake View, Brockway.

The new look at Jo's Beauty Shop in Tahoe Vista is a truly wonderful piece of work. Mike and Jo Bosta are to be congratulated on the appearance of their building.

Holiday guests ot Angelo and Rae Russo of Kings Beach were Marjorie Wright and Elaine Joseph of San Francisco.

Larry Farr and family of Sparks, Nevada, were New Year's guests of Bill and Joan Mally of Kings Beach.

Friends were saddened to learn of the passing of Mrs. Peter Bennett of Brockway on January 1 in Reno. Mrs. Bennett had been ill for several months. Our sympathy is extended to the Bennett family.

"Our Lady of the Lake" Guild held their regular monthly meeting at the home of Mrs. David Crowe at Crystal Bay Wednesday. Discussion on a potluck dinner for the near future, carpeting of the church, were on the agenda. Father O'Neill showed slides of his trip to Europe, emphasis being on Ireland, Rome, Milan and Munich. Father O'Neill was also fortunate to see the "Passion Play" which is only staged every 10 years. Over 25 women enjoyed the interesting travelogue and lunch.

The Nevada Safety Seminar held at the Mapes Hotel in Reno was attended by representatives of various organizations from Lake Tahoe. Emblem Club members attending were Florence Brown, Tahoe City and Gwen Robinson, Velda Farris and Marilyn Fugazi of Kings Beach; North Tahoe Women's Club representatives were Pearl Draney, Joan Mally, Theresa Sutton and Bethel Van Tassell. The seminar was sponsored by Mrs. J. J. Thorp, president of the Nevada Federation of Women's Clubs. Agnes D. Benton, director of the Women's Division of Allstate Insurance, C. M. Oliver, chief of the drivers license department; R. F. Stenovich, chief, highway patrol; Louis Spitz, director, motor vehicle department and Governor Grant Sawyer, Nevada, were speakers of the day. Reception closed the day.

"It's and ill wind that blows no good"—cannot apply to the tragic fire in Truckee, when the theater and adjoining buildings were destroyed along with living quarters of several families.

The Neugebauer family who operated the theater and lived in an apartment above it, have moved to Kings Beach and have reopened the Brockway Theater. Fortunately too, there was a vacancy in the apartment building next to the theater which they also own. Jack and Nadine and sons Jerry, Monte and Mark are now practically settled in their new home.

Stan Simmons of Tahoe Vista reports the fishing just great—caught a Rainbow and a Mackinaw, total weight eight pounds, and the fish dinners served were even greater.

California produces the nation's entire supply of almonds, figs, olives, artichokes, and most of the walnuts, dates and lemons.

Abalone, the name of the large California mollusk, has given its name to a number of points, rocks and coves along the coast.

Donations to the 'New March of Dimes' Will Help Prevent Crippling Diseases

Millions of families throughout the United States this month have received March of Dimes "mailers."

If the millions on the receiving end of this gigantic mail operation coast-to-coast and in Hawaii and Alaska have not already done so, now is the time to return the familiar envelope with a donation to the county March of Dimes chapter, local leaders urged this week. The world's largest voluntary health organization is seeking to prevent crippling diseases, with its sights set at birth defects and arthritis and at continued work in polio.

These mailers, which reproduce the campaign theme, "Prevent Crippling Diseases—Please Say Yes to the New March of Dimes," were addressed in great part by selfless volunteers who, by combing through telephone and other directories, were able to "spot" just about every family in their county. Addresses of new homes, not included in telephone books, were obtained by these volunteers from real estate boards, tax lists, from other official records, and from chambers of commerce.

Hopefully, each of the 44 million families in the United States will have an opportunity to help prevent crippling diseases by contributing to the March of Dimes between now and Jan. 31.

The blue mailer contains an envelope with a pocket for a March of Dimes contribution by check or cash and with space for the donor's name and address. A brief message addressed to "Dear Neighbor" explains the expanded program of The National Foundation, and elsewhere on the mailer a few health figures are given—for example, that birth defects cripple one out of every 16 babies in the United States; that arthritis and rheumatism afflict 11 million Americans; and that polio can still strike down any one of more than 85 million unvaccinated persons in the country.

County chapter officials say that they "hope our mailer message brings speedy replies in the form of cash, money orders and checks because March of Dimes contributions are desperately needed to finance National Foundation programs of aid to patients, of research and in the training of health workers."

"Mailers, mailers everywhere!" says Linda Breese, of Columbus, Ohio, 1961 March of Dimes National Poster Child, as she "models" one of the contribution envelopes. Mailers are to be returned this month to local chapters of The National Foundation to support expanded health program in birth defects and arthritis, and continued work in polio. Linda is recovering from birth defects of an open spine and excess fluid on the brain.

LUNGING LACKS FINESSE

A bowler will lunge at the foul line in an effort to put too much speed or "stuff" on the ball as he releases it. He will probably put too much wrist turn or too much finger lift on the ball when releasing it—throwing his timing off.

Poor timing itself causes many bowlers to lunge. If the footwork is rushed anywhere along the line, the feet will get up to the foul line before the arm swing is ready to deliver the ball. So the bowler will be off-balance, and he will lunge in an effort to force his arm swing through to completion.

And, when the arm alone brings the ball through, lunging is the inevitable result. A bowler can't have good accuracy under such conditions, to say nothing of a fine form.

If bad balance in delivering the ball is one of your problems, check the two reasons I have listed. The answer to both lies in a slow, gradual start for the footwork, coordinated with your arm swing at all times. This develops natural speed and fine timing. It won't take as much "stuff" on the ball to produce good results.

Note, in the illustration how well coordinated the left leg and the right arm are in the delivery. No strain here. Excellent timing at this point is the result of good timing all through the approach.

SUGAR BOWL HOST AT JUNIOR SKI MEET

By LLOYD GAY

NORDEN — This past weekend the Sugar Bowl Ski Club sponsored the first of three junior point races to be held in northern California this season. The other two will be held at Mammoth Mountain and Dodge Ridge.

Points are awarded to winners in these three races as a qualification for the National Junior Championships to be held at Stowe, Vermont, later this spring.

The largest junior field to compete in California, 186, included competitors in all of the junior classifications and teams representing the Sugar Bowl, Mammoth Mountain Ski Club, Reno Ski Club, Mount Shasta Ski Club, Dodge Ridge Ski Club, Yuba Sutter Ski Club, Heavenly Valley, Lake Tahoe Ski Club, Edelweiss Ski Club, Fresno (China Peak) Ski Club, Yosemite Ski Club, and a team registered as the Southern Skis, representing the Green Valley, Inyo, Berg and Tal, and Mt. Waterman Ski Clubs.

Mark Noble served as race chairman for the Sugar Bowl Ski Club, and was assisted by Madeline Walton, the junior competition representative of the Far West Ski Association, who served as chief computer.

The top time in the downhill, run on Mount Disney on Saturday, was Bruce Batchelder of Mammoth Mountain in 1:23.9 seconds, which also won the Class I boys. Other class winners in the boys division of the downhill were: Class II, Spider Sabich of Edelweiss in 1:25.1; Class III, Gregg Moore of Lake Tahoe Ski Club in 1:33.0; and in the shorter race for Class IV, Paul Sullivan of Lake Tahoe in 1:03.4; and Class V, Bruce Berimesa of Mount Shasta Ski Club in 1:11.3.

The top time in the girls downhill was by Jeannie Evans of Yosemite Ski Club in 1:39.0 which also took the Class II. The Class I race was won by Ginny Glass of Inyo Ski Club in 1:39.5; Class III by Karen McBride of Lake Tahoe Ski Club in 1:48.0, and the shorter course for Class IV by Vicki Jones of Squaw Valley Ski Club in 1:06.0; and Class V by Cherril Bechdolt of Lake Tahoe Ski Club in 1:20.4.

The slalom was run on Sunday on Mount Disney, and consisted of two runs of a 500 foot, 48 gate course for Classes I, II, and III, with a 300 foot, 28 gate course for Classes IV and V.

The top time in the boys division went to Dennis Agee of Mammoth Mountain Ski Club in 1:37.7 which also won Class I.

Class II went to Roger Atanasoff of Sacramento in 1:38.2.

Class III to Gregg Moore of Lake Tahoe Ski Club in 1:48.7.

Class IV to Paul Sullivan of Lake Tahoe Ski Club in 55.8 seconds.

Class V to Mark Sullivan of Lake Tahoe Ski Club in 1:04.5.

The top time in the girls division went to Class I racer Cindy Hart of Reno Ski Club in 1:46.7.

Class II was won by Kathy Allen, unattached, in 1:48.7.

Class III by Robin Morning of the Inyo Ski Club in 1:50.1.

Class IV race by Vicki Jones of Squaw Valley Ski Club in 56.8 seconds.

Class V went to Sandra Poulsen of Lake Tahoe in 1:06.3.

ROAD CHECKS STOP THEFTS IN VALLEY

SQUAW VALLEY — Sheriff's deputies are taking the profit out of ski thefts.

Road checks were so successful last weekend that they are being repeated. Thousands of cars are being stopped to warn skiers their equipment may be stolen if not watched.

Sheriff William A. Scott said that in stopping skiers entering Squaw Valley last week to warn them, thieves got jittery enough to unload five pairs of skis stolen earlier. They apparently feared being stopped again on the way out.

Thievery ran to as many as 20 pairs of skis during a weekend before the road checks were started. The number was cut to one stolen pair last week.

Scott promises the checks will continue.

SPORT EMPHASIZED AT LIONS CONVENTION

Sports will receive heavy emphasis at the 42nd annual convention of District 4, Lions International, to be held in Sacramento January 19-22. Nearly 5,000 Lions and their wives are expected for the conclave.

The district bowling tournament will attract 2,000 Lion bowlers from nearly 400 clubs throughout California and Nevada. Both events will be held on Thursday, January 19.

Winter sports will also attract many delegates at the close of the convention, on Sunday, January 22. More than a dozen famous Sierra ski runs, including Squaw Valley, site of the 1960 Winter Olympics, are just a few hours by car or bus over 4-lane highways.

The snow pack is higher this year than it has been for several seasons. The Sierra offers skiing, tobogganing and ice skating.

The Lions bowling tournament at Country Club Lanes will offer competition for 5-man team, singles, doubles and all events. Trophies will be awarded for the first three places in each classification. In addition there will be cash awards.

ANITA ANTILLON TO WED R. MOLSBERRY

KINGS BEACH — During the holidays the betrothal of Miss Anita Antillon to Robert Molsberry was announced by her parents, Mr. and Mrs. Louis Antillon of Kings Beach.

The engaged couple were graduates of the Tahoe Truckee Unified School District. Miss Antillon attended Sierra College and is presently employed at Kaiser Hospital at San Francisco.

Molsberry, son of Mr. and Mrs. Milton Molsberry of Santa Rosa will soon be discharged from the U. S. Navy and will be interested in business with his parents at Santa Rosa.

The wedding date has not been divulged but their many friends in the Lake Tahoe area have expressed their best wishes upon learning of the future event.

JAIL MAY AGAIN BE USED WITH REPAIRS

The possibility that the Truckee jail, condemned two weeks ago by the state fire marshal's office as unfit and unsafe for housing prisoners, may still be used temporarily was seen in the action by the board of supervisors last week in requesting Sheriff Wayne Brown to confer with the state officials.

The sheriff was asked to determine what steps must be taken, such as moving the furnace from its present location to an adjoining structure, to permit continued use of the jail until such a time as a new county building can be financed in this area.

The present stipulations by the state are that the doors be kept unlocked and a deputy stationed at each door during the time prisoners are being housed therein.

SNOW TIRE BILL IS OFFERED BY LUNARDI

A bill to permit the use of snow tread tires on two rear wheels rather than only on all four wheels has been introduced in the legislature by Assemblyman Paul Lunardi.

The legislation would authorize the department of public works to prohibit use of tires on icy surfaces. It also would eliminate a requirement that snow tread tire designs be approved by the state highway patrol.

THANK YOU

BOYS ADVANCE WHEN LAKE SCOUTS MEET

KINGS BEACH — Pack No. 31, Cub Scouts, held their monthly meeting at the Kings Beach elementary school last Thursday.

The theme carried out this past month by all the dens was "Guiding Stars." To entertain all the parents and fellow cubs, Dens 3 and 4 presented a skit entitled "Moon Scouts."

The following boys took their first step in scouting and received their bobcat pins: Jimmy Baxter, David Brown, Pat Connolly, Barry Fisher and Nicolai Larsen.

Two boys received their wolf badges. They were Barry Fisher and Nicolai Larsen. Den 2 displayed their crafts for all to view.

Since 1947 the value of California's manufacturing has more than tripled, to an estimated $13 billion annually.

GIRL SCOUT COUNCIL PLANS RENO MEETING

The Sierra Nevada Girl Scout Council is holding its annual meeting at the Hidden Valley Country Club in Reno on Tuesday, January 17, starting at 10 in the morning.

Luncheon will be served at noon. All persons who have taken an active part in girl scouting, either as adult or girl members are urged to come to this important meeting. An outstanding guest, Mrs. John Scott, will expand on the theme of these 50th anniversary years which is, "Honor the Past, Serve the Future."

LOCAL GIRL STUDIES AT BRIGHAM YOUNG

Six students from Nevada County, out of a total of 1952 enrolled from California, are attending the Brigham Young University at Provo, Utah, this semester. Among those from this county is Clarisa H. Richards of Truckee. There are 10,305 students registered in the university which is operated by the Church of Jesus Christ of Latter-day Saints.

IN TEXAS

Jimmy Hutchins, son of Mr. and Mrs. Bert Hutchins and Tony Ilardi,, grandson of Mr. and Mrs. A. R. Ghirard are now stationed with the air force near San Antonio, Texas. They recently flew from Oakland to the base.

From Smog To Sun—

Mrs. Sam Follett returned home after a two weeks holiday stay at Ukiah with Mr. and Mrs. Marion Follett. She said she was happy to come up into the sunshine from the smog and ice smeared roads of the Sacramento Valley.

Alpine County, created in 1864, was so named because of its mountainous character.

ELLA CINDERS
by BILL CONSELMAN
I'M LEAVING NOW, ELLA. I HOPE I GET BACK BEFORE YOUR FATHER NOTICES I'M GONE, AND ASKS WHERE I WENT.
GOOD LUCK, MA.

MA JUST DROVE IN.
I DIDN'T EVEN KNOW SHE'D BEEN OUT.
SHE WANTED TO TAKE ADVANTAGE OF THE JANUARY SALES!
OH, NO! I KNOW WHAT THAT MEANS.
AND I WAS RIGHT.

LOOK AT ALL THE WONDERFUL BARGAINS I GOT, SAM.
YEAH. GREAT. HERE WE ARE ---LOADED WITH FIRST-OF-THE-YEAR BILLS--- TAXES TO PAY----
----STILL STAGGERING FROM A BIG CHRISTMAS WITH ALL THE JUNK WE BOUGHT THEN. AND NOW YOU GO OUT AND LOAD UP WITH MORE STUFF----
I'LL BET IT'S MOSTLY FOR YOU, TOO.

OH, QUIT YOUR GRIPING, SAM. I BOUGHT YOU A PRESENT, TOO.
OH? WELL--- UH--- THANKS..
WHAT DID MA GET YOU? IT'S SURE TINY.
YOU KNOW THE SAYING, ELLA---"GOOD THINGS COME IN SMALL----"

The Toodles

by the BAERS 1/15

SEE, DADDY? HERE'S THE TOOTH THAT WAS ACHING ME THIS MORNING!

WHEN DID YOU PULL IT?

HE DIDN'T. HE WAS CHICKEN. SO MOM TOOK HIM TO THE DENTIST.

IT'S A SORT OF A BIG ONE. THE TOOTH FAIRY SHOULD PAY A LOT FOR IT.

I WISH I HAD A LOOSE TOOTH.

YOU HAD ONE LAST MONTH, AND ANYWAY I'M TEN MINUTES OLDER'N YOU!

the next morning....

A WHOLE QUARTER! THAT TOOTH FAIRY MUST BE LOADED! -BUT- THE TOOTH'S GONE!

THE TOOTH FAIRY LEFT ME A QUARTER, DADDY, BUT THE TOOTH'S GONE, AND I *WANT* IT!

WHY?

BECAUSE - NOW THAT IT'S OUT OF MY MOUTH, IT WOULD BE FUN TO JUST SIT AND WATCH IT *ACHE!*
